

Alarm Station

Alarm Station is the center of a smart alarm system to protect your home 24/7. It keeps your alarm system online and connected to up to 32 Imou detectors. When the Imou detector detects an intrusion, Alarm Station will ring and the volume can reach up to 65dB. You also will get an instant alert message on Imou App.

Specifications

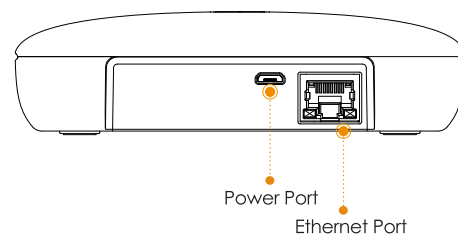

General

Tamper: Unit protection and leaving wall protection
 DC 5V 1A Power Supply
 Power Consumption: < 5W
 Working Environment: -10°C~+55°C (14°F~131°F), less than 95%RH
